Bible Truth
God made me.
(Psalm 139:14)

Lesson 1 I Am Special

In this lesson, the children will learn about the first man and woman that God ever created, Adam and Eve. They will also learn about the Garden of Eden where Adam and Eve lived. The children will learn that God created each one of them and that he made them very special.

Lesson 2 I Am Blessed

God's creation of people will be studied further in this lesson. The children will learn to identify parts of their bodies, and will learn to thank God for giving them their bodies. The lesson also reinforces their knowledge of Adam, Eve and the Garden of Eden.

Lesson 3 I Have Senses

In this lesson, the children will study the five senses. They will name specific parts of their bodies, and will match these parts with the corresponding senses. The children will also identify ways that God makes them unique and special, such as hair color and eye color.

Lesson 4 God Made Everyone

This lesson reinforces that God created all people. The children will learn more about their bodies and how they function through activities that help stimulate their senses. They will thank God for creating them and giving them senses.

Lesson 5 God Gives New Life

This is a special Easter lesson that will help the children to understand "new life." Through the study of typical holiday-related items, such as eggs, chicks and bunnies, the unit concept of God creating life is reinforced.

Dear Parent,

In this unit, the children will learn that God made all people. They will study the creation of Adam and Eve and learn about the Garden of Eden. Additionally, the children will gain an understanding of their own uniqueness and how their bodies work. The unit also includes a special Easter lesson that focuses on “new life.”

On the reverse side of this page, you will find an outline and description of the lessons which comprise this unit. Included is a Bible Truth for you to review with your child at home. Please note that this is simply a biblical concept and not an actual verse.

Your active involvement outside the classroom is essential and will truly make the Kingdom Kids Curriculum a great success for your child. Here are some suggested ways you can reinforce these lessons at home:

- Put together a game where your child can practice distinguishing different objects by either touch, by smell or by taste. Examples of contrasting objects are: touch—sugar and flour, taste—apple and orange, smell—vanilla extract and cloves.
- Play dolls together while quizzing your child on the different parts of the body.
- Put together an Easter basket with your child, and then deliver it to a friend or neighbor who doesn't know about God's love.

We look forward to being partners with you as together we help plant Seeds of Faith in the heart and mind of your child.

Thank you,

Your child's teachers

I'm a New Chick/Ducking

(Tune "Mulberry Bush")

I'm a new chick, and God made me.
God made me,
God made me.

I'm a new chick, and God made me.
Peep, Peep, Peep, Peep, Peep, Peep.

I'm a new duckling, and God made me.
God made me,
God made me.

I'm a new duckling, and God made me.
Quack, Quack, Quack, Quack, Quack, Quack.

Hokey Pokey

1. You put your hand in.
You take your hand out.
You put your hand in, and you shake it all about.
You do the Hokey Pokey, and you turn yourself around.
That's what it's all about. *(Clap your hands twice.)*
2. You put your foot in.
3. You put your head in.
4. You put your elbow in.
5. You put your whole self in. *(As you say this, jump into the circle and wiggle all over.)*

Grew and Grew

(Tune: "Farmer in the Dell")

Annette, she grew and grew!
Annette, she grew and grew!
When she was one and she was two,
She played some "Peek-a-boo!"

(During the song, place your hands near the ground and raise them higher and higher each time you sing the word "grew." When you sing the words "one" and "two" hold up the appropriate number of fingers. At the end of the song, cover your face as you sing "played," and then uncover it when you say, "boo.")

My Body

I have two eyes to see with.
I have two feet to run.
I have two hands to wave with,
and a nose I have but one.

I have two ears to hear with,
A tongue to say, "Good day,"
And two red cheeks for you to kiss,
And now, I'll run away!

(Point to each body part as you say its name)

Mommy Chicken

(Tune "I'm a Little Teapot")

I look out my window,
And what do I see?
A nest of chicken eggs
in front of me.
I look out my window,
What do I see now?
A nest of baby chicks,
running around.

Brand New Life

(Tune: "Frère Jacques/Are You Sleeping")

Here's an egg,
here's an egg.
What's inside,
what's inside?
Inside are little ducklings,
Inside are little ducklings.
Brand new life! God made life!
